

THE SADDLE HORSE REPORT/MORGAN WEANLING GALA

Performance Incentive Award

The core mission of the Morgan Weanling Gala is to promote the future stars of the Morgan industry by providing a spotlight focus on the Weanlings of the Breed.

Over the past seven years, the Gala has featured great weanlings by the Nominated Sires who have developed into significant influences in our breed – both in the show ring and as breeding horses producing great foals.

For a sire owner, there is no better way to promote your stallion than showing the world what he sires.

For a mare owner, there is no better promotion of your breeding program than to show off the real results of those efforts in a featured event on Championship Night at the Morgan Jubilee.

We've heard that the MWG is a 'one and done' event for these competitors and not just a first step to a great future. Nothing is further from the truth. As recently as this year we saw the top two weanlings for MWG 2014 being named World and Reserve World Junior Champion Mare in 2015 at the Grand National.

To show that these weanlings are more than pretty babies and have performance futures, the MWG Committee in conjunction with Saddle Horse Report announces the "Performance Incentive Award."

The Saddle Horse Report/MWG Performance Incentive Award would pay out to the first foal(s) sired by a Nominated Sire from each Class year to win a World's Championship in ANY Performance Division beginning their 2-year-old year.

This will give nominated foals a chance to shine in the performance arena even if they were unable to show in the Gala class as a weanling. We want to continue to recognize the offspring of the Nominated Sires and this Incentive will extend those opportunities in both notoriety and payout.

The Incentive Performance Award Payout

The Class of 2014 would be first eligible for an award payout in 2016; the Class of 2015 in 2017, and so on.

The Payout is held by year until a nominated son or daughter of a Nominated Sire from that year wins a World's Championship in a Performance Class – discipline does not matter. If there is more than one (and we certainly hope there is) in the same year, the award will be divided equally among them. If no one wins, the award rolls forward to the following year.

The Award will be \$2,500.00 graciously donated by Saddle Horse Report PLUS 100% of the Nomination Fees received for that Class Year. This award will be paid out 75% to then-registered owner and 25% to the nominator of the sire.

Each MWG Class Year will be maintained separately so each Class Year is only competing against themselves for the award.

We are very excited to be able to offer what we feel is a very inclusive award that promotes each year's "pretty babies" as the future "performance powerhouses" of the breed. We thank Saddle Horse Report for their support. We know that you will agree that this is a great opportunity!
